

AFFIDAVIT OF NON-RESPONSIBILITY

STATE OF NORTH CAROLINA

COUNTY OF _____

Before me, the undersigned Notary, _____, on this _____ day of _____, 20____, personally appeared _____, known to me to be a credible person and of lawful age, who being by me first duly sworn, on oath, says:

I received City of Fayetteville, North Carolina, red light camera citation _____. I was not driving a vehicle at the time and location designated in the citation. I did not give permission to the operator of this vehicle to drive my vehicle at the time and location designated in the citation. I will neither pay the civil penalty nor transfer responsibility, this being an option of City of Fayetteville Code of Ordinances Chapter 16, Article VI, Sec. 16-153c-2. Failure to disclose this option on the citation as well as not recognizing this affidavit is extortion--a class F felony in North Carolina (NCGS 14-118.4) and a federal crime (18 US Code § 876).

You are the “Affiant”. Fill out the above affidavit in front of a Notary Public. Using delivery confirmation, mail the affidavit along with a copy of your citation to (according to NCGS 160A-300-1):

**City of Fayetteville

The second page of your citation under “There are Two Ways to Contest Your Violation” says to go to web site www.violationinfo.com where you can allegedly read Fayetteville ordinance 16-513 and download your Affidavit of Non-Responsibility. But www.violatoninfo.com does not quote 16-513. It quotes NCGS 160A-300-1 where you can only transfer responsibility when your car is stolen or sold or you have to squeal on the driver. The web site does not quote Fayetteville’s 16-513. 16-513 says that you only have to say “I did not give permission to the driver of my car to drive my car at the time and location on the citation” while you do NOT have to squeal on the driver.

The City of Fayetteville with American Traffic Solutions have deliberately committed extortion by limiting your options for the sole purpose of taking your money. A felony: NCGS 14-118.
