

AFFIDAVIT OF NON-RESPONSIBILITY

STATE OF NORTH CAROLINA

COUNTY OF _____

Before me, the undersigned Notary, _____, on this _____ day of _____, 20____, personally appeared _____, known to me to be a credible person and of lawful age, who being by me first duly sworn, on oath, says:

I received Safelight Wilmington (North Carolina) red light camera citation _____. I was not driving a vehicle at the time and location designated in the citation. I did not give permission to the operator of this vehicle to drive my vehicle at the time and location designated in the citation. I will neither pay the civil penalty nor transfer responsibility, this being an option of City of Wilmington Code of General Ordinances Sec. 5-46.3(b)2. Failure to disclose this option on the citation as well as not recognizing this affidavit is extortion—a class F felony in North Carolina (NCGS 14-118.4) and a federal crime (18 US Code § 876).

The second page of your citation under “There are Two Ways to Contest Your Violation” says to go to web site www.violationinfo.com where you can allegedly read Wilmington’s law Sec. 5-46.3 and download your Affidavit of Non-Responsibility. But www.violatoninfo.com does not quote Sec. 5-46.3. It quotes NCGS 160A-300-1 where you can only transfer responsibility when your car is stolen or sold. And then you have to squeal on the driver. The web site does not quote Wilmington’s 5.46-3. 5.46-3 says that you only have to say “I did not give permission to the driver of my car to drive my car at the time and location on the citation.” And you do NOT have to squeal on the driver.

If Safelight does not accept this affidavit, then go to the Wilmington Police Department. First make sure you get the name of the person who disallowed the affidavit. *Better to get a written signed response from Safelight that it will not accept the affidavit.*

If you have a phone conversation with Safelight or got to Safelight's office in person, then record the conversation. (Use a second iPhone.) In North Carolina, as long as you are a party in the conversation, you do not need to ask permission to record the conversation. And you do not even need to tell the other party you are recording the conversation.

Once you have this information, immediately tell the officer-on-duty that you want to press charges against the person, "as an individual", who will not accept the affidavit. Also ask the police officer to shut down the Safelight office.

Safelight already knows about the law because your affidavit states the law. It has no excuse.

The City of Wilmington with American Traffic Solutions have willfully committed fraud by limiting your legal options for the purpose of taking your money. A felony: NCGS 14-118.
