The following text is directly from the ordinance:

1. If a hearing is timely requested to contest liability under this Section, adjudication of the liability imposed upon owners by this Section shall be by the Municipal Judge, or one (1) of the Assistant Municipal Judges, sitting as an administrative hearing officer for the Traffic Violations Bureau. In hearings to determine liability under this Section, it shall be the City's burden to prove liability by a preponderance of evidence. The proceedings shall be conducted informally without strict adherence to the rules of evidence, provided that testimony and exhibits received and considered shall have sufficient indicia of authenticity and reliability so as to constitute competent evidence.
2. If an owner receives a civil penalty assessment notice pursuant to this Section for any time period during which the vehicle was reported to the Police Department as having been stolen, it shall be a valid defense to an allegation of liability for a violation of Section 604(1)(c) of the Model Traffic Code pursuant to this Section that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this Subparagraph (4), it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent by first class mail to the Traffic Violations Bureau or Municipal Court. 3. An owner who is a lessor of a vehicle to which a civil penalty assessment notice was issued pursuant to this Section shall not be found liable, provided that he or she sends to the Traffic Violations Bureau or Municipal Court a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within thirty (30) days after receiving the first civil penalty assessment notice of the date and time of such violation, together with the other information contained in the civil penalty assessment notice. Failure to send such information within such thirty-day time period shall render the owner liable for the penalty prescribed by this Section. Where the lessor complies with the provisions of this Subparagraph (5), the lessee of such vehicle on the date of such violation shall be deemed to be the owner of such vehicle for the purposes of this Section, shall be subject to liability for the violation of Section 604(1)(c) of the Model Traffic Code pursuant to this Section and shall be sent a civil penalty assessment notice pursuant to Subparagraph (f)(1) of this Section.
